

Congress 2014 News

No.3, 4th October 2013

➤ **Scientific Programme**

The WFOT Congress 2014 Programme features contributions from over **60** countries:

*WFOT Inaugural Lecture – Professor Sharon Brintnell

1 WFOT Plenary Lecture

3 Keynote Lectures

3 Symposia

8 Special Sessions

55 In-congress Workshops

Over **1,000** Oral Presentations in **16** Concurrent Streams

Over **1,500** Poster Presentations throughout **4** days!

Not only that! We have ***Education Day (June 16)***, ***Pre-congress Workshops (June 17)*** and a ***Symposium for the Public (June 21)***.

➤ **Congress Grants Programme** – support congress delegates from countries with developing economies who would otherwise not be able to participate in Congress by fundraising or donating to the Grants Programme.
